

Summary of Comments - Kelly/Meadwell & Bradstone

No. of responses	What do you like about living here?
21	That this is a beautiful peaceful and quiet rural area
8	That we live in a friendly place, with a good community spirit
4	Easy access to the countryside, local towns and the major road network
What changes or improvements would you most like to see?	
	Transport
3	Better bus service
	Communication
7	Better, faster, broadband
3	Better mobile signal
	Environment
3	More housing [1st time buyers] [to keep families in the community]
1	Developments should be sympathetic to the environment
1	A positive stance on renewable energy
2	Nothing that would be detrimental to farming. Farms should farm and not be solar panel or wind farms
1	Less heavy farm machinery damaging roads.
2	No more wind turbines
	Village facilities
1	More reliable electricity supply.
4	A village shop/P.O.
1	Community policing
1	Encourage more local businesses
2	Better access to community care services
	Traffic
4	Better road maintenance [e.g. Billacombe corner]
6	Better traffic management for road safety, especially speed restrictions and prevention of rat runs.
Favourite local activities	

- 16 Walking
- 5 Eating out/pubs
- 4 Cycling
- 8 Sport, especially swimming
- 1 Bird watching
- 2 Local shows
- 7 Horse riding
- 6 Village hall activities
- 1 Fishing & shooting
- 1 Church

New Homes

- 3 Local residents and/or close relatives should be given priority
- 2 Should not apply a 'local' restriction. Need more housing and employment
- 3 Avoid haphazard developments, site plots carefully, allow expansion better than a large estate.
- 4 There should be a mix of new homes, providing for all age groups.
- 2 Some groups would be disadvantaged by the lack of local facilities
- 1 Need of housing for local businesses
- 3 Well designed buildings, sympathetic to their surroundings are OK.
- 1 Crucial that buildings in villages like Milton Abbot fit in with local styles e.g. colour of roof tiles.
- 6 Settlement boundaries should be reviewed to create opportunities for sensible development

Community assets

- 3 There should be no constraints on the owners of Cas
- 1 Set period should be at least two years

Generating renewable energy

Where should large turbines go?

- 7 Offshore/somewhere else
- 5 No preference/as agreed by the community/in areas with sufficient wind/on suitable sites
- 1 Borough Cross area

2 Rams Down
1 Use of the word 'large' is pejorative and indicates an unwelcome bias by the authors of this questionnaire against wind derived electricity.

1 **Alternatives to turbines**

2 Hydro
1 Large turbines better than lots of small ones
1 Ground source and other heat exchange systems.
2 Solar panels

What are suitable types of community energy schemes?

1 Pebble-bed modular reactor
12 Solar/solar panels
1 Hydro
2 Small turbines
5 Wind Turbines/wind
2 Under ground heat exchange

Landscape and heritage

2 Need to protect the landscape
2 No need for extra protection
2 Any protection should not be used to prevent sensible development

Meadwell/Kelly Village Hall

What local services should use it?

5 Post Office
1 Food bank
3 Library
4 Doctors
4 Advice centre
1 Parcel collection point
2 Nursery/playgroup
1 local markets

How to make the hall more welcoming

- 10 Redecorate and modernise the hall
- 3 Better heating
- 2 Better car parking
- 6 Upgrade toilets
- 2 Better advertising

What kind of activities should take place?

- 1 Scouts/Brownies
- 2 Coffee mornings
- 3 Exercise classes
- 2 Evening classes
- 5 Young people's activities
- 2 W.I.
- 3 Talks/discussion sessions
- 1 Garden club
- 1 Young Farmers
- 3 Music
- 3 Film/theatre
- 1 Skittles
- 3 Anything

What should not be allowed

- 4 Nothing
- 1 Activities where children and young adults are not supervised.
- 1 Religious cults or sects. Anti-social/extremist groups.
- 2 Noisy late evening drinking or partying, balloons & fireworks.
