

MACKPlan - the neighbourhood development plan for our area

Introduction

We have contacted you because you have an interest in planning issues in our area and we need your help.

An important part of producing MACKPlan will be a questionnaire to be sent to every home in the plan area. We will only send out one questionnaire and so we need to make sure that the questions we ask and the issues we cover, are as relevant as possible to local residents.

To help us do this, we would like you to complete the following short survey about what is important to you about the area and also any concerns you may have. That will help us to design our questionnaire and make it as useful as possible.

Should we have our own plan?

1. We should have as much control as possible over development in our area and not just leave 'Planning' to the Borough Council.

	1-Strongly agree	2	3	4-Neutral	5	6	7-Strongly disagree
