

Milton Abbot, Chillaton and Kelly Neighbourhood Plan

Bradstone: Chillaton: Dunterton: Kelly: Meadwell: Milton Abbot: Quither

14/2/17

Dear all

In the email I sent last, there was a suggestion that we should try to meet between the Parish Council meetings on 20th Feb and 1st March. On reflection, I don't think that will be necessary as it is unlikely that the PC will need to review the questionnaire twice and possible that the 1st March meeting will be cancelled.

What we do need to do is meet as soon as we can after the PC meeting to finalise the questionnaire, which will require us to work out the key steps in the plan process and include them in the 'What happens next?' section. We will also need to agree on the grant aid request we will have to submit.

How about an evening in the week beginning Monday March 6th? Please let me know what dates you could make that week, if any.

I attach the latest version just for completeness sake; it has very few changes. There was a dead end in the instructions at the end of Part 1 and the sequence of questions at the end of Part 3 was not the most logical. Emma, the Parish Clerk, who will be dealing with the prize draw has suggested that we need to get people to put their names as well as telephone numbers on the draw slip. I can't see why not, as it's what you'd do when buying a raffle ticket, but we do need to discuss this when we meet. *Pro tem*, I have made that change as well.

Best regards

Howard
