Dear all

I attach the latest version of the questionnaire, which takes into account the response I have received from Mandy Goddard at WDBC regarding the earlier draft and my reading of the recently published draft Joint Local Plan [JLP]. Mandy thought that our questionnaire was “very professional and thorough in its coverage of topics”, but there were several issues where we needed to review wording in the light of the publication of the draft JLP. I’ve now done that and sent Mandy PDFs of the amended pages. I’ve also added in a map of the plan area and a section on community green energy schemes and completed the bit about what happens next. I also thought we should ask if Chillaton residents were prepared to see the village hall funds invested in a community pub, should the opportunity ever arise to create one using the Chichester Arms, so I’ve amended the section on the village hall money. Can’t see that happening any time soon, but it would be useful to gauge opinion on this. All these amendments are in red on the attached version [16].

On Wednesday, David Feeney from Milton Abbot will be joining us, but both Chris and Jamie will be absent. Our main tasks will be to look at the first draft of the business questionnaire and, hopefully, sign off on the residents’ version.

Best regards

Howard
