## MACKPLAN NEWSLETTER

27th January 2021

### **MACKPLan Consultancy in full swing!**

The official consultancy programme on the draft MACKPLan has now reached the halfway stage. The Regulation 14 Consultancy will finish on the **20<sup>th</sup> of February 2021**.

The MACKPLan team are very pleased that many residents have sent in comments either by posting them on the MACKPLan website [mackplan.org.uk](http://mackplan.org.uk) or by sending them by email. Hard copies of the draft plan have been sent to 442 households in the MACKPLan area. If you have not received a hard copy, then please send an email to [garyvanstone@btinternet.com](mailto:garyvanstone@btinternet.com) and we will endeavour to get a copy to you.

**A number of the comments received have supported the housing policy proposed in the draft plan, including the choice of proposed building sites. These sites were recommended by the AECOM independent site review. If residents support these site proposals then we would like to hear from you. The more support we receive the more likely we are to be able resist planning applications which could undermine the MACKPlan proposals.**

As well as residents the draft MACKPLan has been sent to 43 Statutory Consultees (such as WDBC, Devon County Council, English Heritage etc), local landowners and local organisations.

Once the consultation period is over any changes to the plan as a result of comments received will be published on the MACKPLan website.
